

Agricultural Experiment Station
Faculty Salary Funding Incentive Plan (FSFI) Application

To be completed and submitted in Streamlyne at the time of the proposal:

Proposal Title: _____

Funding Agency: _____ Proposal Amount: _____

Facilities & Administrative Rate used: _____ Full Rate _____ Granting Agency Rate, Specify: _____

Faculty members included in this request: _____

As the lead PI on the above proposal, I understand/certify that:

- Faculty members included in this request hold a 12-month appointment with a UADA research appointment equal to or greater than the FTE budgeted on grant.
- Salary funded by this proposal is at least .083 FTE per year per faculty member included.
- Grant must use the full F&A rate or uniform F&A rate of the granting agency.
- Proposal can only be submitted/approved under one incentive plan (FSFI or RSC).
- Faculty members must exhibit satisfactory performance in assigned duties, including good fiscal and administrative management of all extramural funds for which they are the principal investigator.
- All incentive payments are subject to the approval of the SAVP and limited to 25% of the faculty member's annual salary.
- If awarded, it is the PI's responsibility to ensure this form, along with the finalized budget, is forwarded to the Business Office for processing.
